- MAR 21: SOUNDS OF SPRING CONCERT
- MAR 28: EGGTRAORDINARY ADVENTURE & EASTER EGGSTRAVAGANZA
- EVERY TUES: FARMERS & CRAFTS MARKET

### POLICE DRONE LOCATES VULNERABLE MISSING MAN IN JUST 3 MINUTES

The missing 88 year old man was found covered in blood from a fall and walking along a golf cart path. EMS transported him to the hospital for treatment of a head injury and hypothermia. The low temperature that morning was 36 degrees.

In 2025, the Lady Lake Police Department purchased one drone and secured three additional drones through grants. "If not for the quick recovery of the victim, things could have turned out much worse," Police Chief Steve Hunt said. "The investment in our drone operation has paid off with several arrests and the safe recovery of missing endangered persons."

**MEET THE MAYOR AT THE FEB 3 MARKET FROM 11:00 AM TO 1:00 PM**

### FARMERS & CRAFTS MARKET EVERY TUES.

The Lady Lake Farmers & Crafts Market is located at 250 Rolling Acres Road, Sports Complex. We are golf cart accessible by Palermo Place off Chula Vista or Del Mar in The Villages. Come out and join us for a cup of coffee, breakfast or lunch and do some holiday shopping! All of our artisan vendors feature homegrown and homemade items for your holiday shopping experience. Open from 9 AM to 2 PM.

## COLD WEATHER PRECAUTIONS

Newcomers to Florida are usually surprised to find out that Central Florida can have periods of freezing temperatures, so remember the 4 P's of cold weather – People, Pets, Pipes, and Plants. These are essential safety reminders for preparing for freezing temperatures.

Key actions include checking on vulnerable individuals, bringing animals indoors, insulating plumbing, and covering or moving potted plants to prevent damage.

- People: Dress in layers, minimize time outdoors, and check on elderly or vulnerable neighbors.
- Pets: Bring all pets and livestock inside, as they are susceptible to frostbite and hypothermia.
- Pipes: Insulate exposed pipes, cover outdoor faucets, and leave cabinet doors open to allow heat to circulate around plumbing.
- Plants: Bring potted plants indoors or cover sensitive, in-ground plants with cloth, blankets, or specialized coverings to protect them from freezing.

## TOWN OF LADY LAKE PUBLIC RECORDS REQUESTS NOW AVAILABLE ONLINE

The Clerk's Office has modernized FOIA (Freedom of Information) records requests by launching a new NextRequest Public Records Request portal on the Town website. To make a general record request (anything not related to police records), go to the Town website at [www.ladylakefl.gov](http://www.ladylakefl.gov). Under "How Do I" or "Services", click on the link for "Public Records Request".

This portal conveniently allows the public to request general public records from the convenience of their home or office 24/7 and allows many records to be delivered electronically for you to download.
