FLORIDA FLOOD AWARENESS WEEK

Floods are one of the most common and destructive natural disasters, but with the right knowledge, you can protect yourself, your loved ones, and your property. Flood Awareness Week, March 9 - 13 is your opportunity to take action and prepare for the unexpected. The Town of Lady Lake is spotlighting vital resources,

expert advice, and community-driven initiatives that can help you stay safe and resilient.

- **Know your risk.** Flooding can happen anywhere, anytime. Get informed and don't let surprises catch you off guard.
- **Be prepared.** Simple, proactive steps can make all the difference. From securing your property to creating an emergency kit, find out what you can do today to reduce damage and ensure your safety during a flood.
- **Stay resilient.** Lady Lake is building resilience to floods through smarter infrastructure, so we can recover faster and bounce back stronger after a flood.
- **Get involved.** This is your chance to contribute to the safety and preparedness of your community. Your actions matter!

TOWN OF LADY LAKE'S LIBRARY CHILDREN'S LIBRARY OPEN HOUSE

The Town of Lady Lake Library celebrated the opening of its new Children's Library and recently completed expansion on February 23. The Children's Library soft-opened to the public in June 2025 following the completion of a major expansion project designed to enhance library services and accommodate the town's growing population - an estimated population increase of 8,000 residents by 2030.

Numerous town, county and state officials joined us in formally welcoming the community into "a space that was designed to foster community learning, creativity and connection," Library Director Aly Herman said. "The expanded Children's Library allows us to better serve families today while planning for the needs of future generations.
